[CRT01a] Please comment on this teacher's communication skills in relation to their teaching.

EXPLAINED WELL

Quite good, better than annabelle.

Good

Spoke clearly, ~~to~~ communicated ideas well

The teacher explained problems in detail and in easy to understand terms.

quite clear

[CRT02a] Please comment on this teacher's enthusiasm for teaching.

very enthusiastically without being an arts teacher.

Good

knew and obviously enjoyed teaching the unit.

The teacher always put effort into designing lecture topics, examples and to helping students on forums.

[CRT03a] In what ways did this teacher positively influence your learning environment?

Questions were encouraged & answered in good depth

very friendly, while maintaining educational environment.

Easy to follow and understands.

Friendly, overall approachable

Respected well on UpLearn.

By making classes enjoyable and interesting

[CRT04a] What did the teacher do to increase your understanding of the subject and help you to learn?

Involving the whole room, talking to the class

open learning

Allowed us to ask questions, gave exercises during lectures to help us learn.

Clear, but overage.

Explaining algorithms and ideas in detail and with appropriate examples

Put answers to exercises on the slides

[CRT05a] What feedback did you receive, and how did you use it?

Feedback, was not particularly handy.

could use more detailed feedback on weekly activities. Good comments  
online to questions.

Feedback in forums and after lectures was extremely helpful ~~and~~.

Feedback from tasks/exercises that were submitted aren't  
as detailed as it can be. Also they take too long to mark.

[CRT06a] How did this teacher demonstrate their interest in your learning?

Went further in depth when class got a concept quickly

very helpful regarding student

by helping on the forums, very fast at answering

Active on answering

Gave us good activities and support functions

Responded well to help & fast to respond.

Took interest into how students were coping with assignments.

~~Helping out~~

By encouraging participation in lectures/classes.

Good responses on open-learning

[TO1] What were the most positive aspects of this teacher's practice?

Engages student

Enthusiastic about subject, easy to approach, timely response.

Easy to understand (unlike any other lecturers I've had). To the point,  
 ↗ clear examples, positive attitude.

IN CLASS EXERCISES

Great guy, Super friendly.

Effective examples for certain concepts

In class examples and activities.

Enthusiasm and friendliness

enthusiastic, knowledgeable

Positive attitude, class participation problems, approachability

slide and presentation

Fun, clear lectures

He was very easy to understand

Enthusiasm

Knowledge, confidence and enthusiasm.

HIS encouragement and enthusiasm

enthusiastic

[TO2] What aspects of this teacher's practice could be improved?

Couple of lectures could have gone through slides a bit faster, some went over to lectures in the next week.

Perhaps weekly feedback, but that isn't terribly realistic

Explaining some of the examples and how each point about a topic is used in greater detail.

More constructive feedback

A break in 2 hour lectures.

MOAR Bling.

[TO3] Please comment on your overall experience of learning with this teacher.

I liked open learning, it was better than iLearn. Also, best comp unit based on having 2 great teachers!

DIDN'T LIKE BLOGS BEING PART OF THE ASSESSMENT

Very, very Positive. Great teacher.

I didn't mind open learning

adequate

good

great

Great.

Open learning was good for weekly tasks. worse for  
 just like open learning, too complex and cluttered, didn't feel engaged with the unit  
 despite finding the content straight forward, suspect this the format, not lecturers

good

Excellent.

Very good. Use of openlearning.com was ~~quite~~ quite  
 efficient. Needs less bling.

Good.

Great!
